Examiner Interview Summary

A telephonic interview took place on April 4, 2007 between Examiner Phu and Applicants' representative, Steven C. Becker. Mr. Becker explained that Applicants were proceeding under MPEP 715.07 III (C) (p. 700-282). Examiner Phu indicated that the declarations and supplemental declarations of record were insufficient because they failed to state that applicants were diligent from "prior to" the reference date to the filing date of the application. Examiner Phu indicated that a declaration from at least one inventor making the proper statement would be sufficient to overcome the rejection.

Second Supplemental Declaration

A Second Supplemental Declaration of inventor David Blight is submitted herewith stating that Applicants were diligent from "prior to" the filing date of Hamaguchi et al, (Second Supplemental Declaration, ¶2).

The Advisory Action also indicated that the declarations and supplemental declarations were insufficient because they did not provide "any statement or indication that the applicants are relying on their May 30, 2001 filing date as a constructive reduction to practice." (Advisory Action, p. 2). The Second Supplemental Declaration of Mr. Blight also states clearly that

Applicants are relying on their filing date as a constructive reduction to practice. (Second Supplemental Declaration, ¶4).

Conclusion

Applicants believe that the present application is now in condition for allowance. Favorable reconsideration of the application as amended is respectfully requested.

The Examiner is invited to contact the undersigned by telephone if it is felt that a telephone interview would advance the prosecution of the present application.
